PROJECTS

Maunny
Github:http://github.com/JohnnyMatharu/Maunny|
Deployed site: https://johnnymatharu.github.io/Maunny/
- An application to search the name of a car, calculates payments, and saves information.
- Vehicle search uses dropdown search of database using JQuery, modals, HTML, CSS.
- Payment calculator uses mathematical formulae, used JQUERY and JavaScript.
- Customer history uses JSON and local storage. Auto news use 3rd party APIs
- Directed the team, acted as leader and liaison, compiled and controlled the flow of code
- Prepared the main idea and wireframe, acceptance criteria and the pseudo code for it.

Tech-Blog
Github: https://github.com/JohnnyMatharu/Tech-Blog
Deployed site: https://stormy-castle-86583.herokuapp.com/
- An app for users to post ways in which they'd like to offer help or post volunteer opportunities, using NPM, and Model View Controller (MVC)
- Users can either post an issue or reply to post if they have something to offer. Connect Session Sequelize database to store session information, and DotEnv to save server passwords
- People will leave a heading title and a content post for the blog, someone will review and will leave another post or a comment underneath their post
- This application uses Express for server, cookies session using Sequelize, uses Sequelize to build models, MySql for database and Handlebars to display
- It is fully protected by Bcrypt which controls the login and logout for user authentication
- Blogs have title headings for user to skim and a data when they were posted

EXPERIENCE

Business Development Coordinator   Feb 2020 – June 2020
Autopark – Humberview Group, Brampton, ON
- Connected with customers based on lead generation platforms acquired from Gubagoo.com, carchat24.com and smedia.com.
- Conceptualized digital data to pass over to customers a form of information.
- Attracted customers by creating ads and digital designs.
- Recorded 30 appointments in two weeks and 10 vehicles sold.
- Followed up with the credit procedure
- Emailed new customers 30 days, 60 days and then 90 days

Finance Manager (Subprime)   Nov 2019 - Feb 2020 Barrie
Barrie Kia – 401 Auto Group, Barrie, ON
- Made commissions 22 percent out of gross up to $10,000 for dealership
